Ways to use these cards:

- ★ Simply point to the hearts and count them. Expand by naming the color of the hearts. ie. *Three purple hearts.*
- ★ Put stickers on the hearts as you count them.
- ★ Put cheerios on the hearts as you count them.
- ★ Cover the number (You can use the strip provided.) Help your child count the hearts and see if your child gets the right number.
- ★ Throw the cards up in the air, then line up the cards in numerical order.
- ★ Ask for a card with a specific number and encourage your child to give you the correct card.
