Draw lines to match the animals

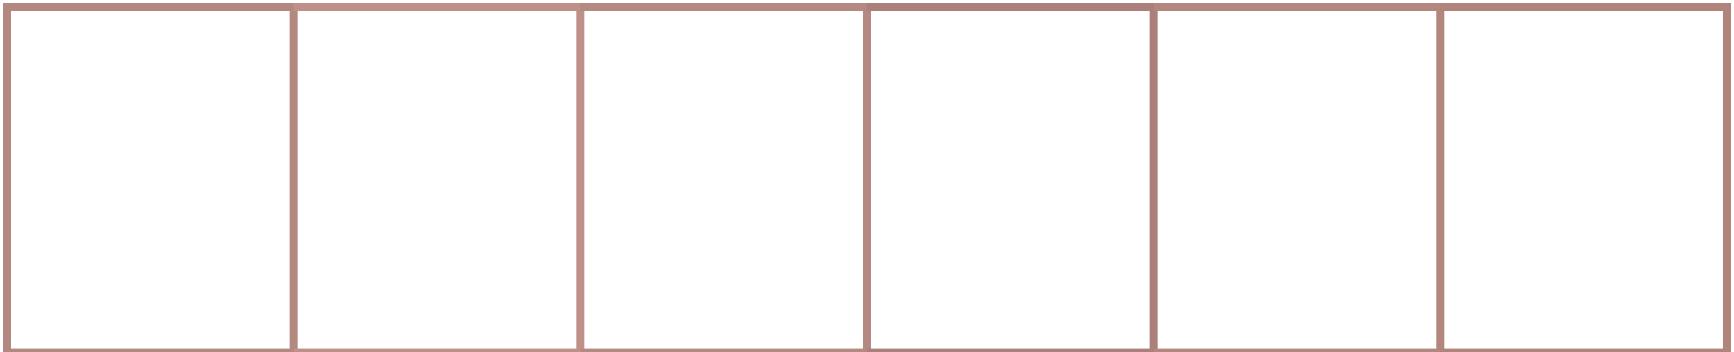

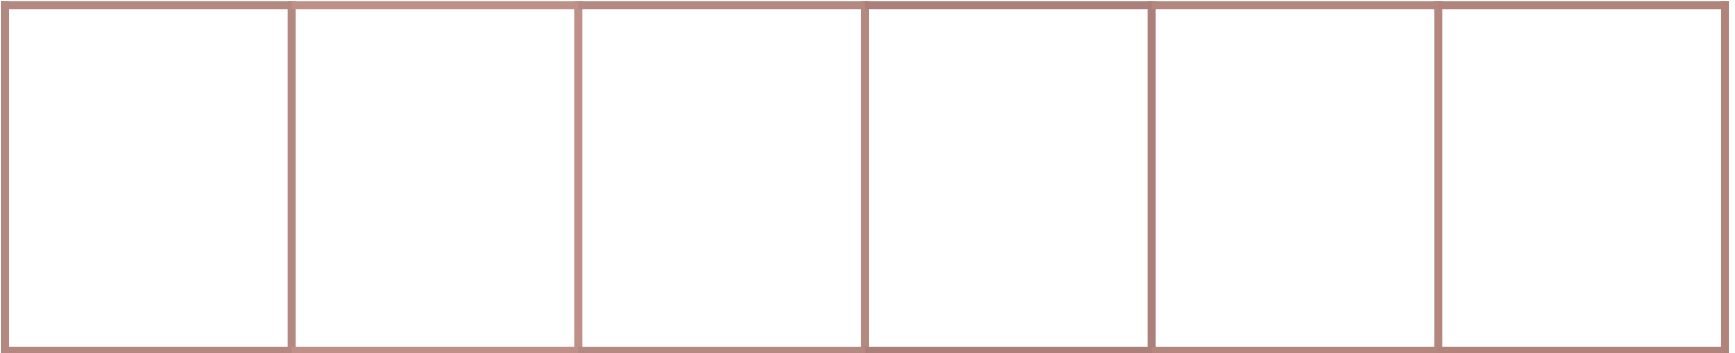

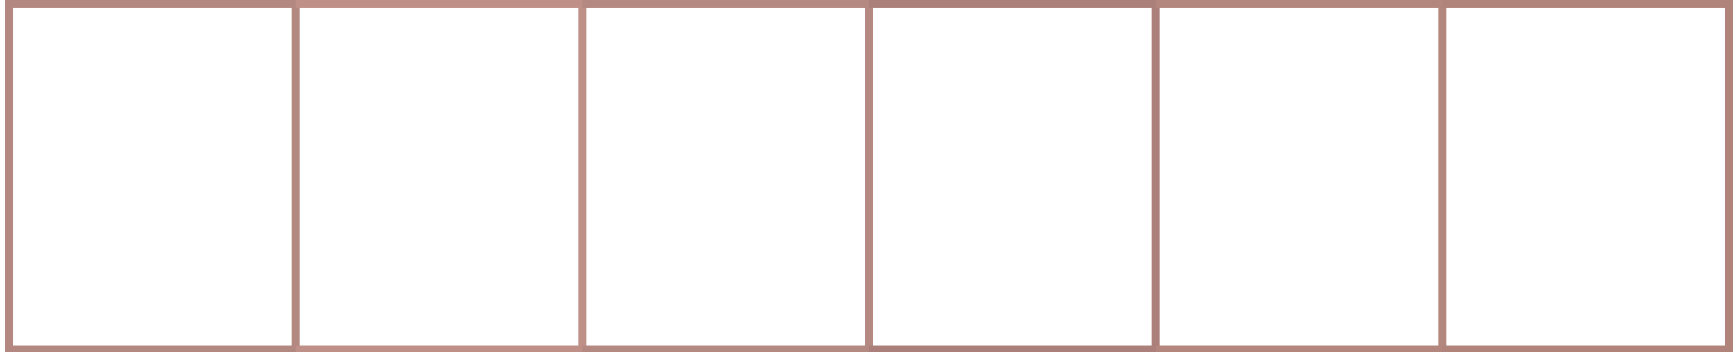

Draw lines to match the animals

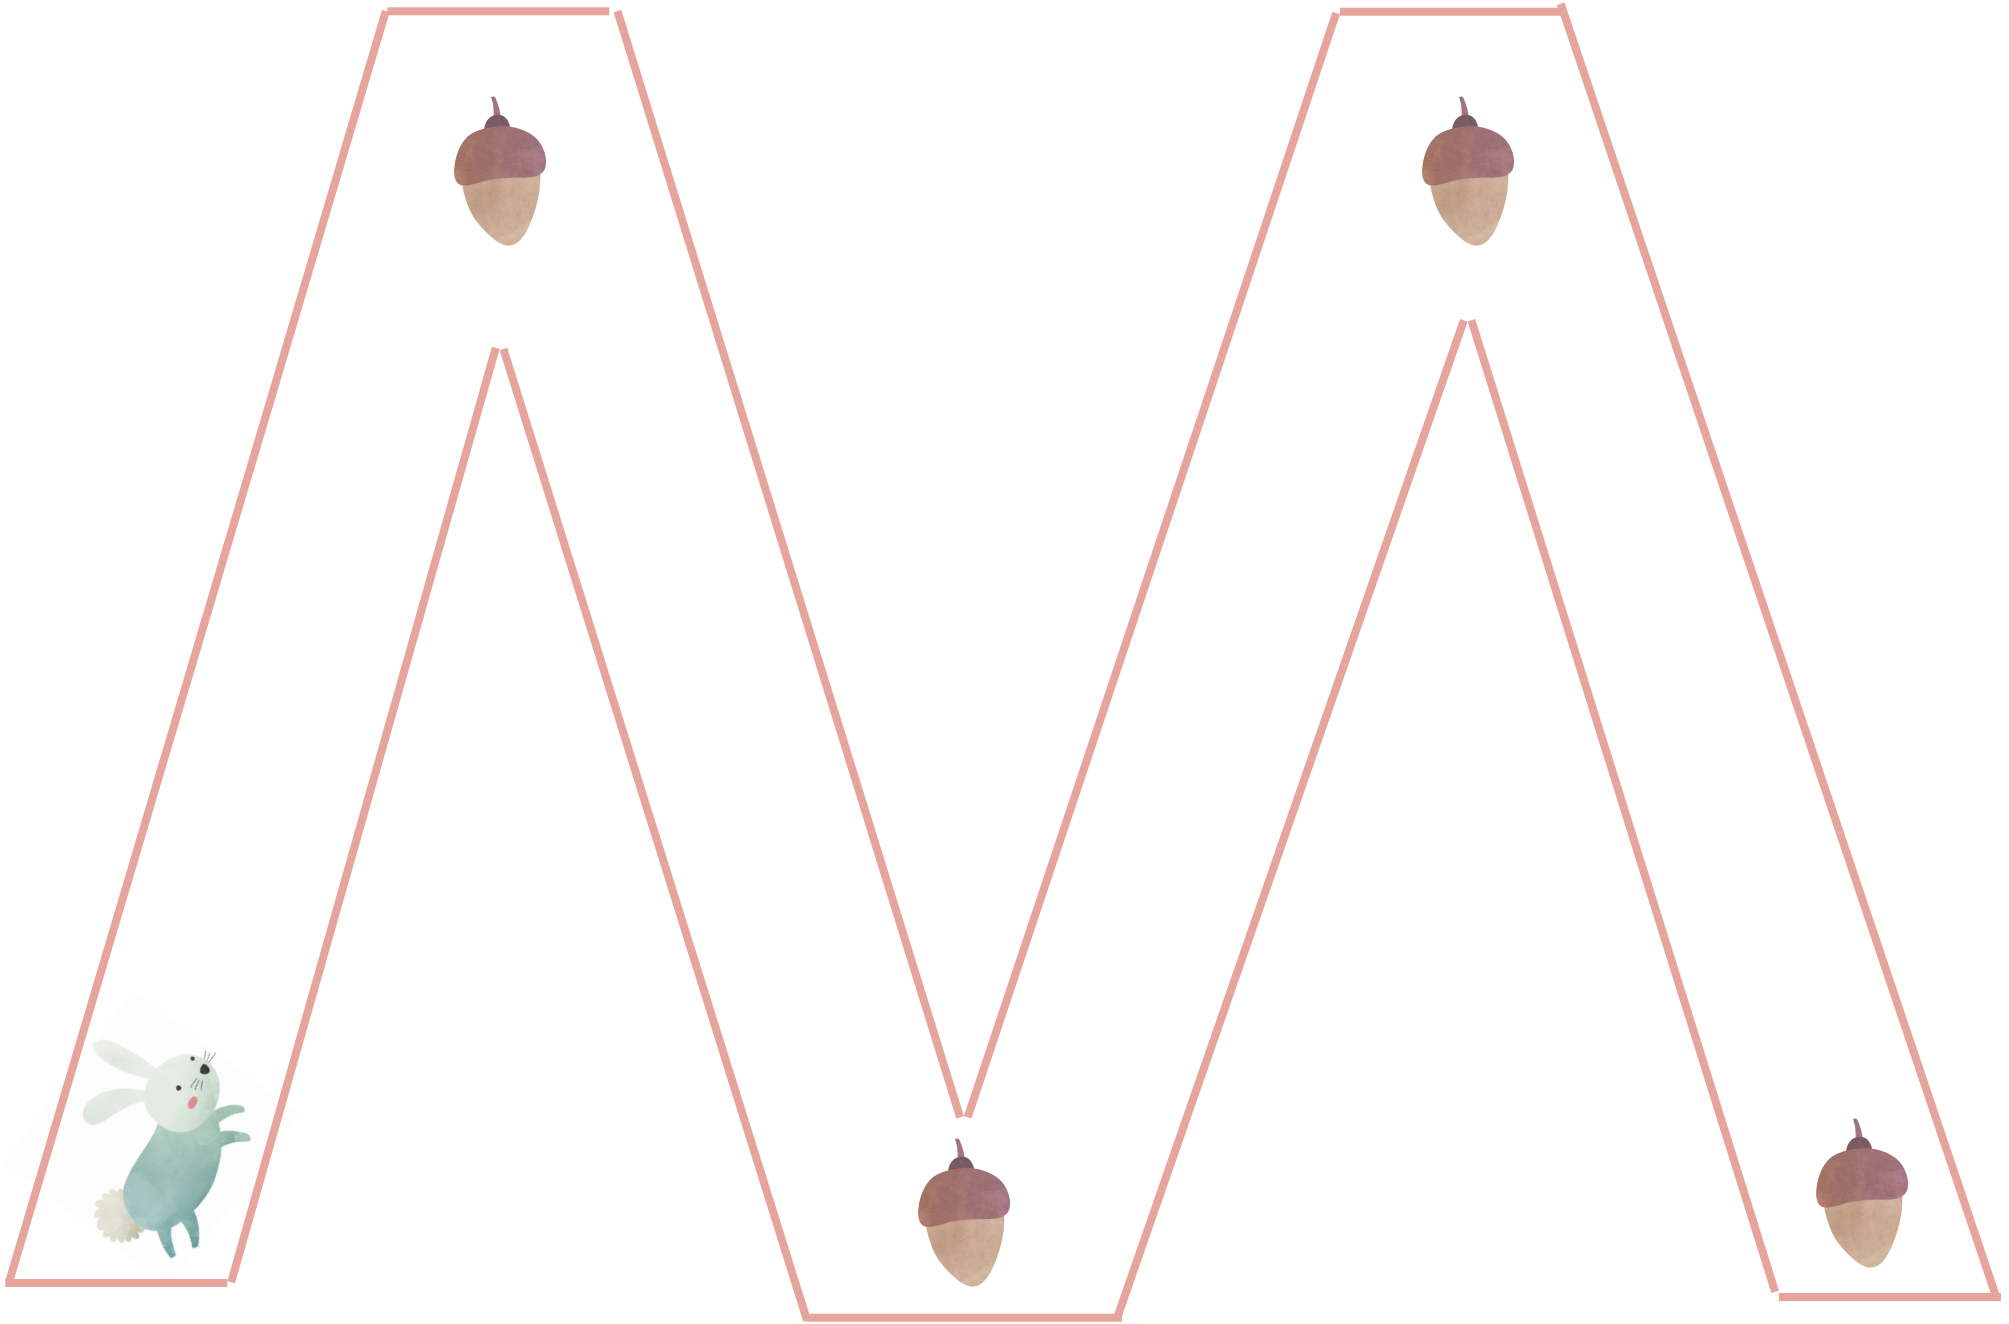

Make patterns using the animals on the next page.

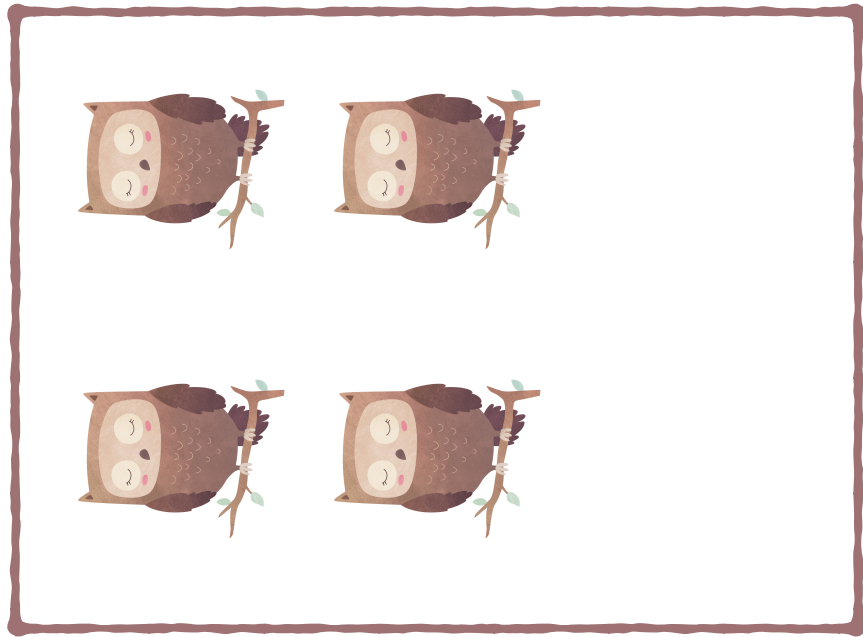

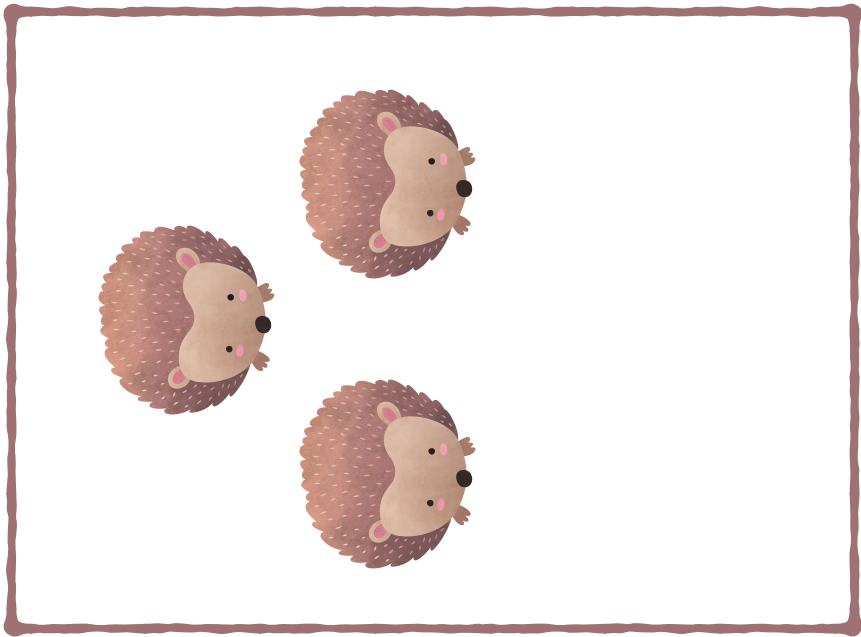

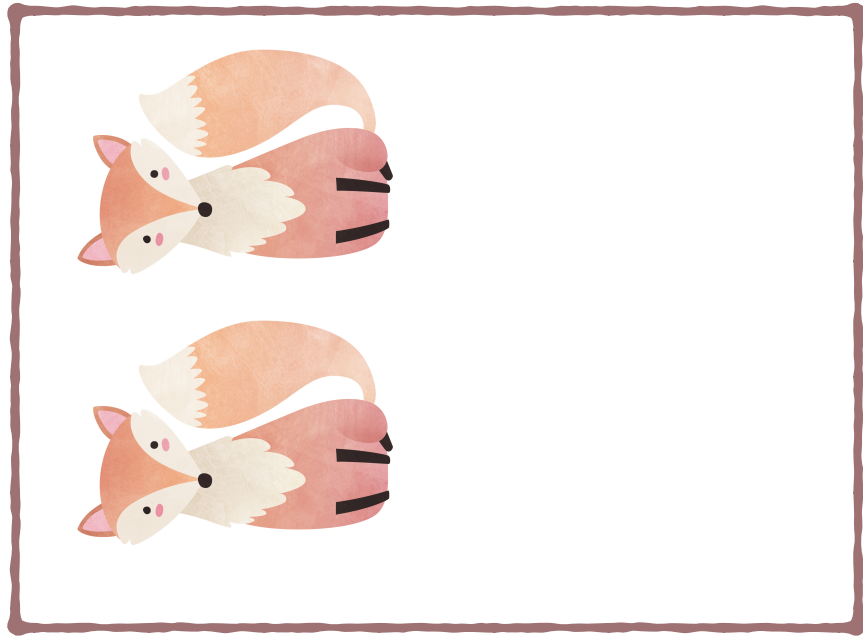

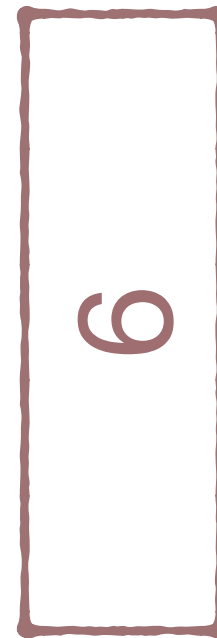

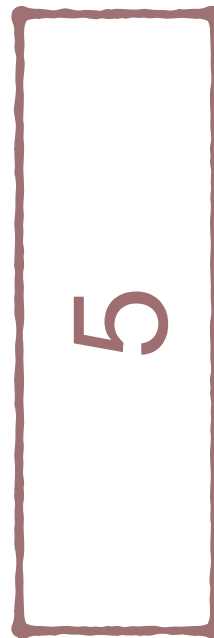

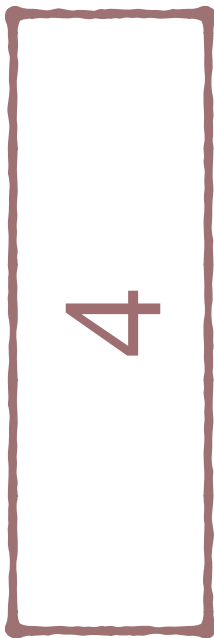

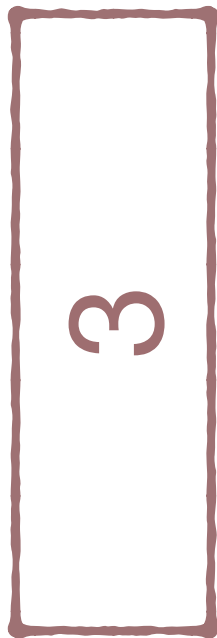

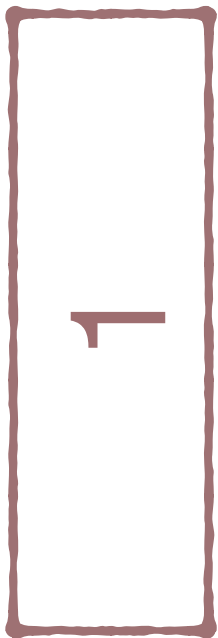

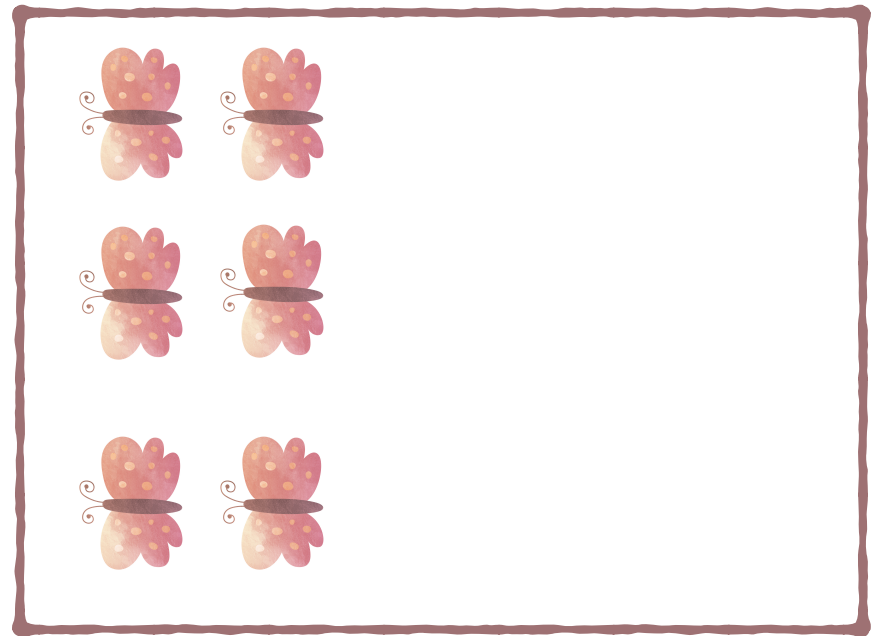

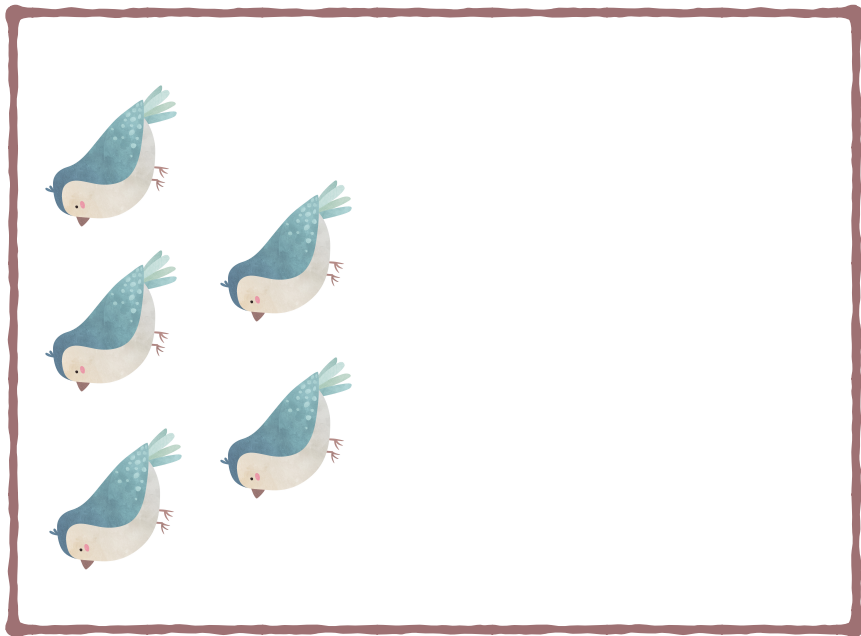

Cut on the dotted lines. Use the animal stamps to make patterns. Tip: Use velcro dots to make the stamps stay in place.

Make your own patterns using the animal stamps and these pattern strips.

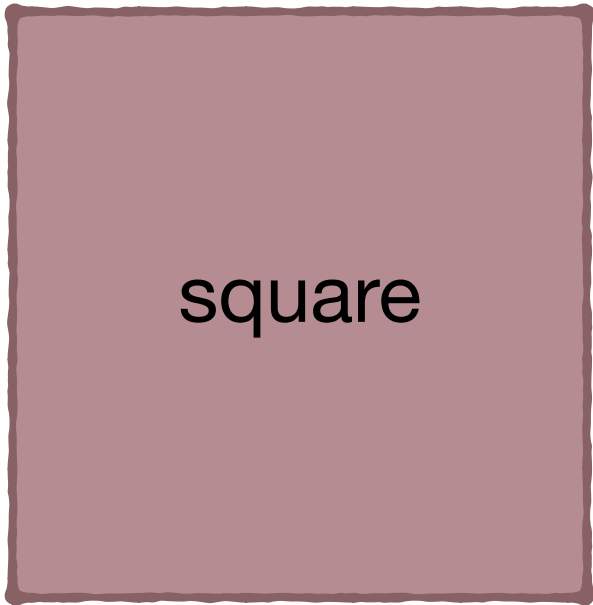

Instructions:

Cut out the counting cards and the number cards.

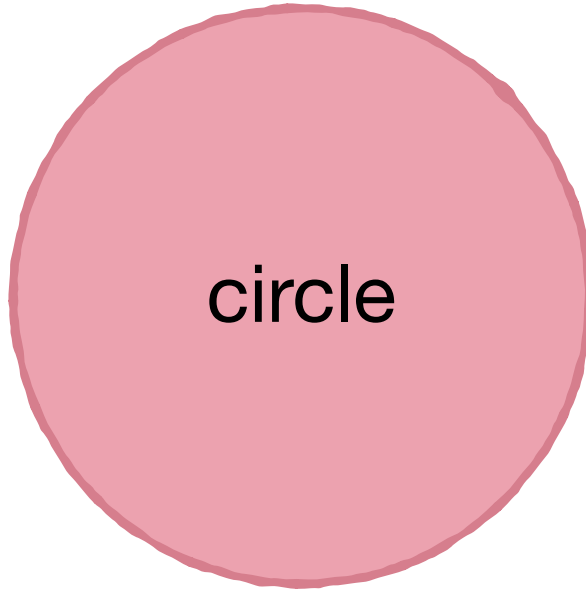

Help your child count the animals on the counting cards and choose the correct number card to place on the counting card.

Cut out the shapes and match them on the next page.
