

My Trains

I like trains.

I like trains.

I like big trains.

I like big trains.

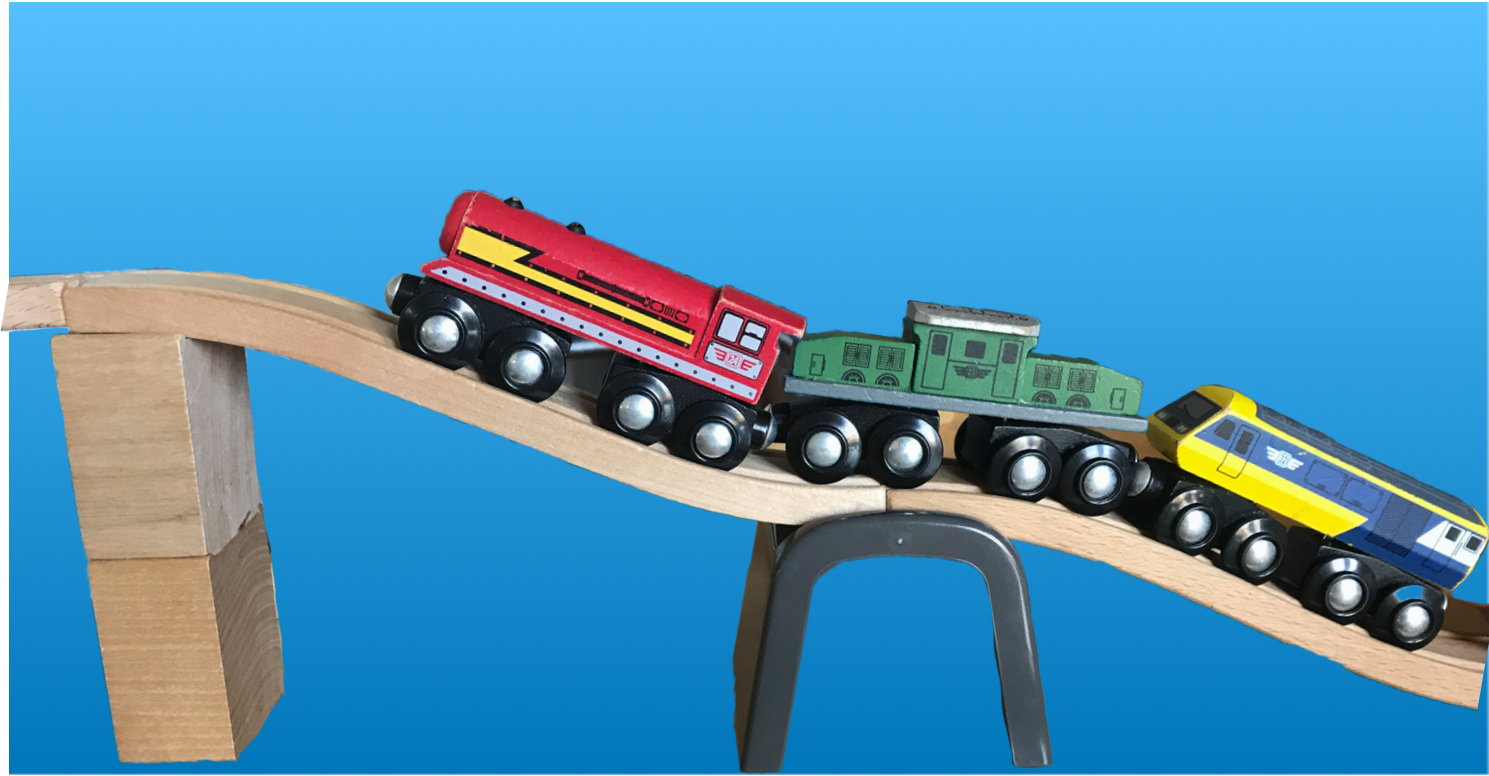

I like little trains.

I like little trains.

Big trains go up.

Up, trains, up !

Big trains go up.

Up, trains, up !

Big trains go down.

Down, trains, down!

Big trains go down.

Down, trains, down !

Little trains go fast.

Fast, trains, fast !

Little trains go fast.

Fast, trains, fast !

Oh no ! Too fast !

The trains crashed.

Oh no ! Too fast !

The trains crashed.

Back on track.

Go, trains, go.

Back on track.

Go, trains, go.

Big trains go slow.

Slow, trains, slow.

Big trains go slow.

Slow, trains, slow.

Oh no ! Too fast !

The trains crashed.

Oh no ! Too fast !

The trains crashed.

Back on track.

Go, trains, go.

Back on track.

Go, trains, go.

The End
