

Adapted Spelling Frames and worksheets

for:

Consonant Blends
Plural Words
Compound Words
Two-Syllable Words

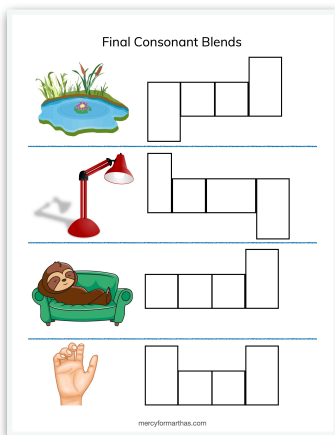

Ideas for Use:

Worksheet A - Copy Sheet

- Students read each word.
- Students point to the letters while saying each sound
- Students copy each word.

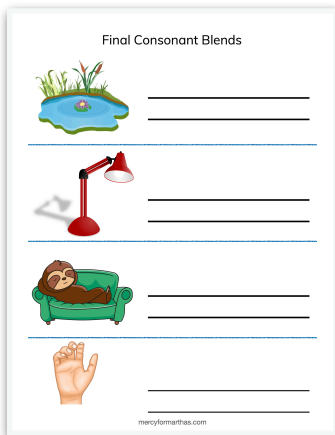

Worksheet B - Spelling Frame

For each word:

- Students say the name of the picture slowly
- Students point to each box while saying each sound
- Students write the word (one phonogram per box)

If needed, students can build the each word with phonogram tiles and then copy each word

Worksheet C - Spelling Sheet

For each word:

- Students say the name of the picture slowly
- Students spell

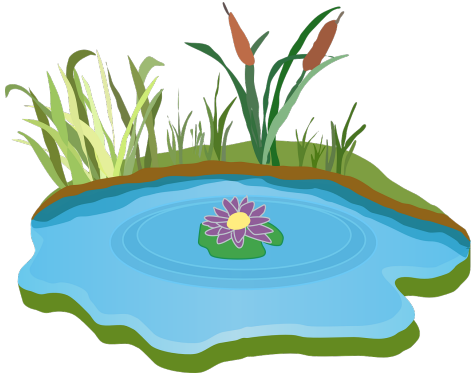

If needed, students can dictate the spelling while the teacher writes the word on his/her own copy of the work sheet. Then the student copies each word.
